Pre A Level Programme at Tudor Hall

Our Pre A Level programme, featuring our unique **Tudor Tri** experience, is designed for pupils aged 15-16 who have not done GCSE examinations, or those aged 16+ who need to improve their level of English in order to do A Levels. It will equip pupils with the skills, qualifications and confidence they need to enter our Sixth Form and progress to a leading university.

Programme feature

- * One full immersion academic year (with a two-term option from January) with focus on language and knowledge acquisition in a High Performance Learning School. All teaching taught by native English academic staff.
- * Every Pre A Level programme pupil will be part of Lower Sixth (Year 12) classes
- * Sixth Form boarding house (age/space dependent) and full boarding experience including meals, activities, socials and trips
- * Lower Sixth Tutor group following our unique IMPACT Programme — coach
- * English tuition
- * Maths tuition
- * Project skills tuition leading to the Extended Project Qualification (EPQ)*
- * Tudor Talks presentation tuition
- * Supercurricular programme of Oxbridge and US Ivy League University preparation including cultural visits to historic UK sites including Oxford and London
- * Opportunity to prepare for IGCSE English as Second Language and IGCSE Maths
- * Opportunity to study towards first language qualification eg. Chinese
- * Contemporary Issues programme
- * Leith's catering qualification (charge payable as extra)*
- * Individual music lessons and entrance for Grade examinations (charge payable as extra)*
- * A school Microsoft Surface Pro
- * No school uniform required in our Sixth Form
- * Headmistress academic reference and presentation of Tudor Tri Award certificate upon completion of the Pre A Level Programme

**successful completion of the course leads to UCAS points contributing to university admission in UK*

Choose from one of three Tudor Tri programmes, leading to the Tudor Tri Award

Tudor Tri programmes

Pupils will study 3 subjects (shown in brackets) within each Tudor Tri programme:

STEM Tri
(Advanced Maths, Chemistry & Physics)

Creative Arts Tri
(Art, Music & Design)

Global & Financial Studies Tri*
(Politics, Business, Economics)
*Global & Financial Tri includes involvement in Tudor Enterprise business competition

Tudor enrichment programme

A range of co-curricular optional activities including Duke of Edinburgh's Award, lectures, academic trips and Tudor Outreach programme, included in the fees

University and career counselling

1-to-1 support to help pupils make appropriate choices for the future.

University visits to Oxford, Warwick and London Universities.

Invitation to careers networking events

Psychometric testing

Pupils take aptitude baseline tests which can advise likely outcomes at A Level and inform subject choices moving forward.

"I will always be grateful for the passion I gained at Tudor Hall."

Former international pupil

"The thing that drew me to Tudor most was the feeling of community; it really felt like it was more than just a school."

Former pupil
